# Chat App API Design Presentations

---

# Chat App API Presentation Schedule

---

Wednesday, Nov. 4th

1. ChatUp (A)
2. e2eComm (E)
3. Bullet (J)

# Chap App API Design Peer Reviews

---

For the peer reviews, you will give a score from 0-10 based on how user-friendly your peer team's user interface is. A score of 10 means the app's user interface was very user friendly and satisfied all of the Chat App API design requirements.
